1 July 2015 to 8 Dec 2016

This year on 6th March, 2016, we conducted an innovative programme for girl students on the occasion of International Women's Day. We organised 'Pre Marital Guidance Workshop' of Ms. Vandana Karambelkar, Director, Niramay Trust, Sawantwadi. During first session she addressed the students on importance of career than marriage, responsibility in marriage, swot analysis of self, etc. In the second session students asked their queries about marriage, requisites of marital relationship, problems of parents, etc. It became an overwhelming session because of heavy flow of questions by students. Ms. Karambelkar, Prof. Sumedha Naik answered these questions at a length. The last session gave opportunity to students to share their experience about the workshop. 51 students actively participated in this workshop.
