## Editorial Speech

COVID – 19 firstly emerged in Vhuhan city of China in Dec. 2019 as it is declared by China and spread all over the world. It closed our Trade, Commerce, Industries, Schools, Colleges, Universities, Shops, Workshops and our daily life. Corona virus forced us to experience lockdown and locked in our home or Nearby Hospital or a Lodge.

During these period of dangerous crisis, especially, Doctors & their staff, Police Department, District Collector, Tehsildar, Gramsevak and all other Govt. Staff, Sarpanch, Police Patil, Aasha Aangandwadi Sevika, Teachers, Students NGO's and after all H'ble Uddhav Thakare, Chief Minister of Maharashtra & his colleagues and H'ble Prime Minister Narendra Modi & his Colleagues constantly fought with Corona for the Country.

During Corona Period our NSS volunteers took great efforts to collect news regarding Corona warriors of Sindhudurg scarifying their time, efforts & family to fight with Corona pandemic & constantly messaging their country men, women to take all necessary remedial measures. **'STAY HOME, STAY SAFE & SAVE YOUR FAMILY & COUNTRY'**. Hence this collection made by NSS volunteers of S.K.P.S.M Malvan is an attempt to introduce & motivate Corona Warriors of Sindhudurg performing this holistic job for the nation here in the country as well as abroad.
