Student Representation 2020-21

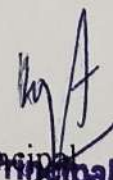

The college follows liberal policy for student's representation on various committees and engagement with various activities. The student representatives are appointed on the following bodies/committees/Departments/Programmes:

1. Student Council
2. IQAC
3. NSS
4. NCC
5. Gymkhana
6. Classroom Decoration Competition
7. Annual Gathering
8. University Youth Festival
9. Asmita Annual Publication
10. Various co-curricular & extension activity organizing committees

Unfortunately, due to Covid-19 pandemic, the college remained closed for the whole academic year as per orders of Central & State Government, District Collector, Local authorities and University of Mumbai. Hence, various committees could not be formed, many programmes/activities could not be conducted and students missed the opportunities of representation.

However, students organised and participated in some of online quiz and competition.
