7.1.2 Alternate Sources of Energy and Energy Conservation Measures.

S. K. Patil Sindhudurg Mahavidyalaya is an institution with limited infrastructure and limited energy consumption. The institution believes in energy conservation and follows energy practices:

- For energy conservation the institute use maximum day light.
- There is no air conditioning system in the campus.
- The college has started using LED bulbs on the campus.
- Sensor – based energy conservation.
- Cross ventilation is ensured in building construction.
- Instruction for energy saving are displayed throughout the campus.
